Kia ora and welcome to Karori Park for the revamped National League Central Conference as we compete to make Karori proud.

Welcome to newly promoted Wainuiomata for what will be an interesting fixture. It's been busy behind the scenes at the club and my thanks to all our parents – volunteers – committees and sponsors who put in the hours to make the club the best it can be.

In the off-season we bid farewell to Rupert Crump in the senior men's space and Ryan Edwards in the youth space – both of whom made substantial contributions. I've been very pleased with the coaching appointments we've made in Sam Smith stepping up naturally to lead our men and Sam Morrissey leading our W-League side as well as directing our youth programs. The Sam's are supported by a great panel of coaches in Kaley Ward, Jared Putt, Nigel Burn, Curtis Jones, Gavin Gee, Ollie Fletcher & Andy Vines. This is a highly qualified and experienced coaching team – passionate about delivering great experiences for all our players and I'm confident our players are in good hands.

I'd like to highlight the work Kaley is doing in the girl's space – creating safe and fun football experiences for girls from first kicks all the way to the W-League side. The club is focused on building up our girls' program in readiness for World Cup 2023 in NZ.

If your daughter is looking for maximum fun at the best game in town – get in touch with Kaley (kaley@karorifootball.co.nz).

This year both the men's and women's 1st teams are wearing "Sweet Louise" on the back to raise awareness for the amazing and important work this org does for women and their families dealing with breast cancer. An organization like this shouldn't have to focus so hard on raising funds to operate, so we are raising awareness and asking our community to support Sweet Louise with us.

Someone who won't thank me for mentioning him by name is Grant McKeen – top community man and founder/CTO of our platinum sponsor IntegrationWorks. Thanks for your continued support Grant – the new player dug outs look brilliant!

There are no easy games in the Central League and last week was a great way to start the season – away to the champions at Davy F. The boys fought hard and defended with so much courage – playing for each other and the coaches – eventually going down 2-1. That performance bodes well and I'm sure you will enjoy the football on display at Karori Park this year so keep an eye on the social media feeds letting you know when the W-League and Central League matches are on.

Enjoy the match.
