## Mike Hornsby, Chairman

Greetings members and supporters – welcome to Karori Park for a match I always look forward to – Olympic! Welcome to Karori Park to Martin and his team as well as PK and all Greek supporters. I like to think we've developed a healthy respect for each other as clubs over the years. Martin in particular holds an important part in recent Wharfie history – being the coach who led us back to Central League after 38 years. I spent 3 years in the trenches of Cap Prem with Martin and some other good men and treasure those shared experiences.

The squad trained well this week after disappointing results last weekend at Petone which has a strong residual effect that only the next match can resolve! I expect to see our lads back to their collective best today. Thanks to our awesome volunteer team – I know the park will be looking good and set-up to host a cracking match (hopefully I don't need to start mowing the pitch myself this week – WCC!).

As usual – my thanks to all our club staff and volunteers who work tirelessly behind the scenes – especially our man Gazza (or 007 as he has become known) for the superhuman effort and love he brings to the team every week.

Thanks also to our sponsors for their continued support. We also proudly continue to raise awareness for **Sweet Louise** – a charity providing amazing support for families dealing with breast cancer by wearing their name on our backs.

Enjoy the match and please feel welcome to join us for after's in the clubrooms.

## Harry Fautley, Captain

Hello from captains corner. Firstly I want to say thanks to everyone that has managed to get down to the games, the support at the men's and women's games so far this season has been awesome.

This season saw a big change for the men's side with Sam Smith coming in as the new gaffer. With this change came a few new faces in the squad as we dipped our toe into the transfer market looking to strengthen the squad from last season. One of the new additions being the tallest 16 year old in the world. Overall the vibe of the team is really good with a nice tight group. This showed over the first couple games as we got off to a good start to the season. After a slight slip up last weekend the boys have been putting in some work off the pitch this week to get us ready to bounce back against a strong Olympic side today.
